Re: Lake Country Municipal Court  
State of the Court / Year 2018 in Review

Dear Chairman Krause:

I would like to take this opportunity to provide your municipality with this Annual State of the Court for our Lake Country Municipal Court for the year 2018 in review.

Several municipalities have requested that the Judge appear before their boards to provide an annual update. I enjoy appearing before each and every board. Should your municipality believe this would be beneficial, please contact my clerk, Pamela Strunk, who will coordinate efforts with my office administrator, Kit Allen. If you do not believe that you need for me to appear before your Board, you can simply re-print copies of this correspondence and provide the copies to your trustees, supervisors or aldermen.

Once again, I am pleased to report that by all accounts Lake Country is running smoothly and efficiently for our Municipal Court.

Honorable Timothy T. Kay proudly serving the following municipalities:
1. **LCMC COURT EXPANSION.**

We are the largest joint municipal court in the State of Wisconsin. Recently the Town of Sullivan was accepted to become a contract member. At our annual meeting last month, the Village of Johnson Creek was approved to become a permanent member of the Court. We now have 20 municipalities that belong to our Court.

There have been several other efforts initiated by other municipalities to join our Court. I am always open and receptive to new municipalities for joining.

We are a self-sufficient system. The more municipalities that join and utilize our system, the better-off financially all of the other municipalities are, and we all gain from our efficiency and increased economies of scale.

2. **LCMC BUDGET.**

Budget was approved by the 19 current municipalities in December of 2018. By all accounts, we oversaw an increase in court cost revenue by approximately $15,000 (unaudited), and we also saw a decrease in expenses of approximately $6,800, for a positive gain for our court of $21,800 (unaudited). I know I run the court in a very efficient manner and in an accommodating and fair manner, while providing justice for all individuals who appear.

Any excess revenues from the court operating account will be transferred to the fund balance account for the new courthouse build out.

We continue to collect our court costs on each citation of $33 in order to maintain our court’s operations. As a result of our efficiencies, we do not require any municipalities to provide support or funds to run our Court.

Because there have been so many questions in the past as to the court costs retained from each citation, I have developed a chart that quickly identifies Lake Country Municipal Court break down of a typical forfeitures. Please see attached.

_Honorable Timothy T. Kay proudly serving the following municipalities:_
3. NEW COURTHOUSE.

All current 19 municipalities have approved of joining efforts with the City of Oconomowoc in supporting the move of the police department and the courthouse to a new safety building, formerly known as the Sentry Building in downtown Oconomowoc. Atty. Bill Chapman has recently formed a long-range planning/building committee in order to help oversee these efforts and in order to coordinate our needs along with the City’s needs for the design an implementation of the project.

I, as well, have been very supportive of this process and the new facility, and have publically stated that this is good for the court, good for the members of the court, and good for the community. Former Police Chief Donald Wiemer has been elected as our chairperson for this important committee. He has retired from his other Village of Oconomowoc Lake duties. I am very pleased that he will be able to lend his expertise. Other members of the Long Range Planning and Building Committee are as follows:

Atty. Bill Chapman
Former Chief Donald Wiemer
Town Chair Larry Krause

Judge Tim Kay
Realtor Maureen Stapleton
Chief Robert Douglas
Clerk Pam Strunk

4. COURT STAFF.

We continue to oversee the cross-training of all four of our clerks. This has proven beneficial in the past when one or two clerks are unable to attend due to sickness or illness, or scheduled vacation. We also have a new clerk this year, Melissa Peterson. Melissa joins Chief Clerk Pam Strunk, Chief Deputy Clerk Teri Berlin, and Assistant Clerk Kathy Pedri. The clerks have proven they are extremely helpful and considerate to citizens who utilize the court.
We have been able to have a very productive and efficient year with the staff and the court. Through the efforts of Clerk Pam Strunk and myself, we have been able to resolve issues as they have arisen.

We have recently completed the chief clerk / employees duties and responsibilities and are continuing to develop those for the deputy clerk and assistant clerks as well. This will guide us in continuing our cross-training efforts.

5. OFFICERS.

Throughout the year, I have presided over dozens of trials and motions and once again, I am always pleased by the professionalism of your police officers. They are respectful and courteous even to those who receive citations. They are always prepared in order to effectuate their duties.

6. ADMINISTRATIVE / OPERATIONS COMMITTEE.

Once again, I would take this opportunity to thank our Administrative Chair, Atty. Bill Chapman, and provides an invaluable service and insight to the overall court operations. Atty. Chapman has spent a great deal of time reviewing plans for the building process. He has been instrumental in coordinating a unanimous vote of each of the 19 members to proceed forward with the safety building.

My clerks have been able to relay financial information, reports and provide data to those who attend our Operations Committee. As always, I attend each monthly Operations Committee as an advisor and we are able to keep the court moving efficiently. The individuals of the Operations Committee are able to provide assistance when necessary.

I am always impressed and fortunate to have the Operations Committee members help me in the day-to-day functions of the Municipal Court.

Honorable Timothy T. Kay proudly serving the following municipalities:
7. IN CONCLUSION.

I enjoy appearing before your Board and am happy to do so. Please have your clerks let me the availability at your next Town, Village or City meeting so we can coordinate the effort between my clerk, Pam Strunk, or my office administrator, Kit Allen. I would also appreciate your clerks distributing copies of this letter and attachments to your elected officials, including aldermen, supervisors and trustees, as well as police chiefs and police personnel.

I totally enjoy serving as your Judge. I look forward to serving the Lake Country Community and your municipality and its citizens. I further look forward to the upcoming year and being an active member on the building committee and the eventual move to the new safety building.

Very truly yours,

LAKE COUNTRY MUNICIPAL COURT

NOTICE TO EMPLOYERS

It may be a violation of state law to discriminate against a job applicant because of an arrest or conviction record. Generally speaking, an employer may refuse to hire an applicant on the basis of a conviction record only if the circumstances of the offense for which the applicant was convicted substantially relate to the circumstances of the particular job. For more information, see Statute 111.335 and the Department of Workforce Development's publication, Arrest and Conviction Records Under the Law.

Before you make a final decision adverse to an applicant based on the following arrest record, in addition to any other opportunity you offer the applicant to explain the following arrest record, please notify the applicant of:

1. His or her right to challenge the accuracy and completeness of any information contained in an arrest record, and
2. The process for submitting a challenge

The applicant should submit his or her challenge to CIB on Form DJ-LE-247. Form DJ-LE-247 is available free of charge on The Department of Justice website or by calling (608) 266-7314. A challenge may include a request for comparison of the fingerprints of the person submitting the challenge to the fingerprints on file that are associated with the Wisconsin arrest record below.

NO RECORD FOUND

An arrest record search based only on a name, date of birth, and other identifying data that is not unique to a particular person (like "sex" or "race") may result in:

1. Identification of criminal history records for multiple persons as potential matches for the identifying data submitted, or
2. Identification of an arrest history record belonging to a person whose identifying information is similar in some way to the identifying data that was submitted to be searched, but is not the same person whose identifying data was submitted for searching. The Crime Information Bureau
(CIB) therefore cannot guarantee that the response below pertains to the person in whom you are interested without a fingerprint submission.

Based on the above identifying data provided for this search, no matching Wisconsin arrest records were found at this time. These search results do not preclude an individual from having an arrest record at a local law enforcement agency that was not reported to the Department of Justice or in another state, or juvenile records that are confidential by law. The results of this search are effective and current for the date of this search only. A new search should be submitted if an updated response is needed at a later time.

Hi Mary,

The payment of property tax credits under Act 190 are sent directly to the municipality instead of the county.

The lottery credit payment disbursed the 3rd Monday in March would go directly to the municipality. Otherwise, the payment is sent to the county and the county has no later than April 15 to share this money with the municipality.

The first dollar credit and shared revenue payment disbursed the 3rd Monday of July would go directly to the municipality. Otherwise, the payment is sent to the county and the county has no later than August 15 to share the payment with the municipality.

Attached is a sample ordinance for your convenience.

Sincerely,

Lynn Oldenburg
