TOWN OF DELAFIELD
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Town of Delafield Town Board and possibly a quorum of the Plan Commission on Tuesday, November 13, 2018, starting immediately following a public hearing scheduled for 7:00 p.m., at the Delafield Town Hall, W302 N1254 Maple Avenue, Delafield, WI 53018. The purpose of the hearing is to consider the amendment of several sections of Chapter 17, Zoning, and Chapter 18, Land Division and Development Control of the municipal code for the Town of Delafield. The amendments are in response to the State's adoption of 2017 Wisconsin Act 67 related to requiring a political subdivision to issue a conditional use permit under certain circumstances which resulted in requiring substantial evidence, rather than personal preferences or speculation directly pertaining to the requirements and conditions an applicant must meet. The resulting modifications affect various code sections in Chapter 17 and Chapter 18 of the municipal code.

For information regarding the public hearing, please contact Tim Barbeau, Town Engineer/Zoning Administrator at (262) 317-3307 or Mary T. Elsner, Town Clerk at (262) 646-2398.

All interested parties will be heard.

**Re: Open Meetings Laws
Recent Legislation and Interpretation
Legal Recommendations**

Dear Ladies and Gentlemen:

In recent weeks, State laws have been changed in ways that could affect when newspaper publication is required for municipal activities. We have also seen numerous issues arise in recent months concerning use of the municipal website for notice publication. These are issues that affect municipal government every day, so it is important to be aware of these changes, and consider whether these changes affect your municipal practices. I am writing to provide an update and recommendations as follows:

Effective April 18, 2018, numerous changes have been made to the State laws concerning newspaper publication of municipal notices, by 2017 Wisconsin Act 282. This law gives newspapers a broader ability to argue that they publish in a municipality. This may expand the number of municipalities in the State that are required to publish notices in newspapers. For example, Villages must use newspaper publication if an eligible newspaper is published in the municipality per §985.05(1), and second-, third- and fourth- class cities are also required to use official newspapers per §985.06(1) and (2). If you receive communication from a newspaper contending that they now trigger a mandatory publication requirement, these should be closely considered.

I want to take this opportunity to also remind you of another general publication issue that has arisen frequently since 2015. In 2015, State law was changed by 2015 Wisconsin Act 79 to allow posting in one location and on a municipal website as an alternative to publication in some situations. We cautioned our clients at that time that this State law change only applied to some postings, due to the way that it was drafted. We have since encountered numerous situations where newspaper publication is required, or posting in more than one location is required or both. Let me highlight the following in that regard.

1. Alcohol beverage publications must be in a newspaper per Wisconsin Statutes §125.04(3)(g).

MUNICIPAL LAW & LITIGATION GROUP, S.C.

Town Board
October 26, 2018
Page 2

2. Board of Review notices should be in a newspaper, per Wisconsin Statutes §70.47(2), in addition to posting in three locations and the municipal hall door.
3. Election notices are somewhat different per §10.05, Wis. Stats. Villages and towns may post three notices in lieu of publication when there is not a newspaper published within the village or town. Remember, though, if you have a policy that allows website use plus one posting, that is not sufficient for an election notice.
4. Budget summaries are required to be "published as a class 1 notice," which may authorize posting at one location and on your website if you have a policy that allows it and you are not a town and no newspaper is published in your municipality. Towns must post in three locations per Wisconsin Statutes §65.90(3)(a)(1).
5. Newspaper publication is required for tax redemption sales or sales of land acquired by the county or city authorized to act under §74.87, Wis. Stats. for delinquent taxes, charges or assessments, per §985.05(1), Wis. Stats.
6. Newspaper publication is required for civil annexations, detachments, consolidations or incorporations under Wisconsin Statutes Chapters 59-66, per §985.05(1), Wis. Stats.
7. Newspaper publication is required for legal notices directed to specific individuals, per §985.05(1), Wis. Stats.

Recommendations: If you are contacted by a media outlet who contends that they publish a newspaper within your municipality, pursuant to these new laws, I recommend that you carefully consider the issue, because if that publisher is correct, you may need to publish in the newspaper more frequently than you do at present. I also recommend that you bear in mind the situations where special publication is required, numerous examples of which are noted above, and proceed accordingly.

This correspondence is intended to provide an update on certain issues, and it should not be read as answering any particular questions that you may have, which may involve additional considerations. If you should have any questions or concerns regarding this matter, please do not hesitate to contact me.

Yours very truly,

MUNICIPAL LAW & LITIGATION GROUP, S.C.

MEMORANDUM

DATE: November 6, 2018

TO: Town Board, Town of Delafield

FR: Tim Barbeau, Town Engineer *T&B*

CC: Mary Elsner, Town Clerk
Eric Larson, Town Attorney

RE: Chapter 17 and 18 Ordinance Amendments

After the September 11, 2018 public hearing related to proposed changes to Chapters 17 and 18 of the Town Code, the Town Board provided feedback to the Plan Commission and remanded the ordinances back to them for further consideration and a recommendation. The Plan Commission considered the Boards comments and are recommending the following changes, all of which have been incorporated into the ordinances that are attached for your consideration. Note that no changes were made to the proposed Chapter 18 ordinance.

Public hearing for conditional uses should be a joint hearing with the Town Board and Plan Commission. Language has been added to Section 17.05 3. C. to indicate a joint hearing.

Traffic Study Requirements. The Town Board felt that there should be more specificity for the traffic study. The resulting language for traffic studies can be found in the recommended changes in Chapter 17.05 4. F. 8. which allows the Plan Commission to decide whether there should be a traffic study (subject to the exceptions below), allows the Plan Commission to require the implementation of the conclusions and recommendations from the traffic study and provides the standards by which a traffic study must be prepared. Furthermore, a traffic study is required for "Churches, Synagogues and Other Places of Religious Assembly," and "Commercial Planned Unit Development" Conditional Uses.

Conversion. Revised the noise standard from "Noise shall be what is common to storage facilities," the language has been revised to state "Noise after the conversion shall be no greater than the noise level prior to the conversion."

Conversion. Revised the standard on 17.05 D. 2. J. from "The use shall be compatible with adjacent land uses" to the following:

- j. Hours and days of operation shall be no more than 7:00 AM to 7:00 PM, Monday through Sunday.
- k. No more than 20 drop-offs or withdrawals of allowed storage items per week.

Hobby Kennels – a comment was made about odors emanating from the facility. In the proposed ordinance there is a general standard in Chapter 17.05 4. F. 2. that sets the standard for control of odors. Language has been added to allow the Plan Commission the right to request an odor control plan from the applicant.

Riding academies or commercial stables – added the following language:

- c. *Applicant shall submit a manure management plan to Waukesha County Environmental Health Division and the Town for approval, which includes the following information and any other information required by Waukesha County:*
- (1) number and kind of animals*
 - (2) scaled site plan*
 - (3) detailed soil investigation with reference to ground water and bedrock presence*
 - (4) details of any structures to be built for animal waste management*
 - (5) construction timeline*
 - (6) details of manure transfer system*
 - (7) plans for utilization of the manure, including information on land availability, soil types, and methods and rates of application*

In-law units: The Town Board requested that the Plan Commission consider whether the maximum living area of 800 s. f. for a one-bedroom or 900 s. f. for a two-bedroom was adequate. After much discussion, the Plan Commission is recommending against regulating in-law units altogether. Based on the definition of “family” in the code (*Family: One or more individuals related by blood, adoption or marriage, or 3 or fewer individuals not so related, living together in one dwelling and maintaining a common household*), in-laws can already live in a portion of a single family house without getting specific “in-law suite” approval. The Plan Commission also recognized that, at present, there are some families that have in-laws living with them and have more than one kitchen facility. References to in-law suite (definition and regulations) were removed from the proposed ordinance.

Bulk storage at greenhouses Bulk storage can be addressed at time that the site plan and plan of operation is approved. The Plan Commission is hesitant to eliminate a use that may fit well within the industrial district.

Storm Water Requirements. Language on meeting storm water requirements of Waukesha County was added to 17.05 4. E. 6. under the Standard Conditional Use Conditions section. The language includes that the applicant must meet the requirements of the Waukesha County Storm Water requirements and gain Waukesha County approvals, if the site meets the eligibility requirements of the criteria found in the County Code.

Other changes considered and included in the ordinance since the September 11, 2018 public hearing:

CUP Application Data Required: Added back in a requirement that the applicant supply all the names and addresses for owners within 300 feet of the property for which a CUP is sought.

Kennels: Minimum lot size for a commercial kennel is 5 acres (previously 3 acres). Removed the allowance of animal hospitals to be closer than 75 feet to the lot line of an adjoining district permitting residential use. Buildings having indoor kennels must be soundproofed. Dogs allowed to be in outside kennels or fenced in play areas shall be 150 feet from any property line (formerly 75 feet).

ORDINANCE NO. _____

AN ORDINANCE TO AMEND AND REPEAL AND RE-CREATE CERTAIN SECTIONS OF
CHAPTER 17, AND REPEAL AND RE-CREATE ALL OF SECTION 17.05 OF THE
OF THE TOWN OF DELAFIELD MUNICIPAL CODE
RELATED TO CONDITIONAL USES

WHEREAS, On November 27, 2017, the State of Wisconsin enacted 2017 Wisconsin Act 67 related to requiring a political subdivision to issue a conditional use permit under certain circumstances which resulted in requiring substantial evidence, rather than personal preferences or speculation directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit, and

WHEREAS, Chapter 17.05 of the Town of Delafield Municipal Code contains a minimal amount of requirements and standards in order to issue a Conditional Use permit, and

WHEREAS, the Town Board has determined that the current standards within the Town Code do not provide the Town with adequate information to evaluate the Conditional Use request under the "substantial evidence" standard, and

WHEREAS, the Town Board directed the Plan Commission to review Chapter 17 and recommend modifications to the Chapter to incorporate standards for review of requests for Conditional Use Permits,

WHEREAS, upon publication of a Class 2 Notice per Chapter 985 Wisconsin Statutes once each week for two consecutive weeks prior to the hearing, and upon at least 10 days prior written notice to the clerk of any municipality whose boundaries are within 1,000 feet of any lands included in the proposed Zoning Code territory as required by Wisconsin Statutes Section 62.23(7)(d), the Town Board held a public hearing regarding the tentative recommendation, on November 13, 2018; and

WHEREAS, the Plan Commission has recommended the ordinance be adopted; and

WHEREAS, the Town Board finds that this change to the Town Zoning Code is not a down zoning ordinance because it does not decrease the development density of land and it does not reduce the permitted uses of land, and therefore the super majority requirement of Section 66.10015, Wisconsin Statutes, does not apply to this ordinance; and

WHEREAS, having determined that all procedural requirements and notice requirements have been satisfied, having given the matter due consideration, and having based its determination on the effect of the granting of such zoning amendments on the health, safety and welfare of the community, and the immediate neighborhood in which said use will be located, and having given due consideration to the municipal problems involved as well as the

impact on the surrounding properties as to noise, dust, smoke and odor, and others, hereby determine that the zoning amendments will not violate the spirit or intent of the Zoning Code for the Town of Delafield, will not be contrary to the public health, safety or general welfare of the Town of Delafield, will not be hazardous, harmful, noxious, offensive and will not for any other reason cause a substantial adverse effect on the property values and general desirability of the neighborhoods within the Town, and will be consistent with the Town of Delafield Comprehensive Plan.

NOW, THEREFORE, the Town Board of the Town of Delafield, Waukesha County, Wisconsin DOES HEREBY ORDAIN as follows:

SECTION 1: Chapter 17 of the Town of Delafield Municipal Code entitled “Zoning,” Section 17.02 entitled, “Rules and Definitions,” subsection 2 entitled “Specific Words and Phrases,” the definition of “Feed Lot Operation” shall be eliminated in its entirety.

SECTION 2: Chapter 17 of the Town of Delafield Municipal Code entitled “Zoning,” Section 17.02 entitled, “Rules and Definitions,” subsection 2 entitled “Specific Words and Phrases,” insert a new definition as follows:

Self-storage facility. A facility consisting of individual self-contained storage units or spaces leased to individuals, organizations or businesses for storage of personal property. A storage facility that is accessory to the principal use on the property and used solely by occupants of the property where located is excluded from this definition of a self-storage facility.

SECTION 3: Chapter 17 of the Town of Delafield Municipal Code entitled “Zoning,” Section 17.04 entitled, “Zoning Districts,” subsection 5 entitled “Specific District,” subsection F. entitled “A-1 Agricultural District,” subsection 2., entitled, “Use Regulations,” subsection a. entitled Permitted Uses, shall be amended to read as follows:

- (8) Creameries

SECTION 4: Chapter 17 of the Town of Delafield Municipal Code entitled “Zoning,” Section 17.04 entitled, “Zoning Districts,” subsection 5 entitled “Specific District,” subsection F.

entitled "A-1 Agricultural District," subsection 5., entitled, "Area Regulations," subsection a., shall be repealed and recreated to read as follows:

- (1) Lot Size
Minimum area shall be 40 acres. ~~If land is developed into a subdivision, it shall meet the PUD requirements of Section 17.05 5. AM. of these regulations.~~

SECTION 5: Chapter 17 of the Town of Delafield Municipal Code entitled "Zoning," Section 17.04 entitled, "Zoning Districts," subsection 5 entitled "Specific District," subsection F. entitled "A-1 Agricultural District," subsection 2., entitled "Use Regulations," subsection b. entitled "Permitted Accessory Uses", shall be amended to read as follows:

- (10) Quarters for Household or Farm Employees
 - (a) Quarters shall be occupied only by a full time employee who works on the premises and members of the employee's family
 - (b) Number of employees that can have quarters on the premises is five (5).
 - (c) A deed restriction shall be filed in the Register of Deeds office prior to allowance of the use indicating that the living unit is for employees of the farm and their families, and that there can be no more than 5 employees that can have quarters on the farm.

SECTION 17: Chapter 17 of the Town of Delafield Municipal Code entitled "Zoning," Section 17.05 entitled "Conditional Uses," is hereby repealed and recreated to read as follows:

SECTION 17.05

CONDITIONAL USES

1. APPROVAL REQUIRED.

Certain uses and situations are of such a special nature, or are so dependent upon actual contemporary circumstances as to make impractical the predetermination of permissibility or the detailing in the chapter of the specific standards, regulations or conditions which would permit such use. Therefore, these uses, upon determination in each individual situation, may be permitted as conditional uses in such district, subject to such requirements as are hereinafter specified for each situation.

2. BASIS OF APPROVAL.

The determination of such conditional use by the Town Board shall be based on whether or not the proposed use will violate the spirit or intent of the chapter; be contrary to the public health, safety or general welfare; be hazardous, harmful, noxious, offensive or a nuisance by reason of noise, dust, smoke, odor or other similar factor; or for any other reason cause an adverse effect on the property values and general desirability of the neighborhood. Except as may be specifically otherwise provided, any such use shall conform to the building location, height, area, yards, parking, loading, traffic and highway access regulations of the district in which it is located and the approving body may require compliance with such other conditions as may be deemed necessary in the specific situation in addition to any which may be herein stated. The location, building plan, site plan, and plan of operation shall be in sufficient detail to enable the Town to make its determination as to the appropriateness of the proposed grant of conditional use. The Town may take into consideration architectural and landscape treatments. Satisfactory provision shall be made for parking and circulation needs, for drainage and sewage disposal, for adequate planting screen where necessary, for operational control devices where necessary to eliminate noise, dust, odor or smoke; and such other factors as would be pertinent to such determination. Variances shall only be granted as provided in section 17.10 of this Chapter.

3. PROCEDURE.

A. Petition.

A request for grant of conditional use status shall be submitted in writing to the Town Clerk who shall promptly refer such petition to the Plan Commission for recommendation.

B. Data Required.

Such petition shall be accompanied by appropriate data and information necessary for proper evaluation of the request including specifically the following:

1. Names, addresses and phone numbers of the applicant, owner of the site, architect, engineer, and contractor.
2. The site legal description, location, zoning district, building and site plans, and plan of operation.
3. An accurate map of the property drawn to a reasonable scale, including indication of general terrain and topographic characteristics, the location of all significant terrain features such as streams, ponds, tree growth, etc., and the location of all existing structures.
4. An accurate and complete written description of the use for which conditional grant is being requested including pertinent statistics and operational characteristics (plan of operation).
5. An accurate and complete description of the current use of existing building and land.
6. Plans and other drawings showing proposed development of the site and buildings including landscape plans, location of parking and service areas, driveways, exterior lighting, type of building material, etc.
7. The names and complete mailing address, including zip code of the owners of all properties within 300 feet of any part of the land included in the proposed use.

8. Any other pertinent information required by the Code Enforcement Officer, Town Engineer, Plan Commission or Town Board as set forth in forms supplied by the Town including percolation test results and well water data.
9. The person applying for a conditional use permit shall certify on the application that the information contained therein is accurate and complete to the best of that person's knowledge.

C. Public Hearing.

Within a reasonable time after an application and all required information has been filed, a public hearing shall be held by the Town Board jointly with the Plan Commission pursuant to section 17.10 of this chapter. Within 40 days after the public hearing and all investigation, the Plan Commission shall make a recommendation to the Town Board unless the time is extended by the Petitioner.

D. Fee.

Any petition shall be accompanied by a fee as set from time-to-time by the Town Board to defray the cost of notification and holding of public hearing. Costs incurred by the Town in obtaining legal, planning, engineering and other technical and professional advice in connection with the review of the conditional use and preparation of the conditions to be improved shall be charged to the Petitioner.

4. DETERMINATION.

The Town Board shall make a decision on the application within a reasonable time after receipt of the Plan Commission recommendations. Said decision shall be stated in writing and a copy made a permanent part of the Town records. If conditional use status is not granted, the reasons therefor will be included in such record. A grant of conditional use status, subsequent changes or additions thereto and terminations thereof shall be in accordance with the following:

A. Recording.

1. An official record of such conditional grant shall be prepared by the Town Clerk on a form prescribed therefor which shall include the description of the use for which the grant is given and all conditions attached thereto as well as a copy of the resolution of the Town Board approving the grant. A copy of the completed form shall be recorded at the Waukesha County Register of Deeds as a covenant on the title for the premises for which the conditional use was granted.
2. The occupancy permit shall be appropriately noted as to the conditional status granted.
3. Indication shall also be made on the zoning map by appropriate code number or symbol.

B. Changes or Additions.

Subsequent change or addition to the approved plans or use shall first be submitted for approval to the Plan Commission and, if in the opinion of the Plan Commission, such change or addition constitutes a substantial alteration, a public hearing before the Plan Commission shall be required, and notice thereof be given pursuant to this Chapter.

C. Conditions.

Conditions such as landscaping, architectural design, type of construction, floodproofing, anchoring of structures, construction commencement and completion dates, sureties, lighting, fencing, planting screens, operational control, hours of operation, improved traffic circulation, deed restrictions, highway access restrictions, increased yards, or parking requirements may be required by the Plan Commission upon its finding that these are necessary to fulfill the purpose and intent of this Chapter.

D. Termination.

Where a conditional use does not continue in conformity with the conditions of the original approval, or where it appears that the information shown on the Petitioner's application was not accurate or complete, or where a change in the character of the surrounding area or of the use itself causes it to be no longer compatible with surrounding areas or for any cause based upon consideration for the public welfare, the conditional grant may be terminated by action of the Town Board following referral to the Plan Commission for public hearing and recommendation thereon.

E. Standard Conditional Use Conditions.

The standard conditions listed below are automatically incorporated into the terms of a Conditional Use Permit issued under this section, unless otherwise stated in the Conditional Use Permit.

1. Any use not specifically listed as permitted shall be considered to be prohibited except as may be otherwise specifically provided herein. In case of a question as to the classification of use, the question shall be submitted to the Town Plan Commission for determination.
2. No use is hereby authorized unless the use is conducted in a lawful, orderly and peaceful manner. Nothing in this order shall be deemed to authorize any public or private nuisance or to constitute a waiver, exemption or exception to any law, ordinance, order or rule of either the municipal governing body, the County of Waukesha, the State of Wisconsin, the United States of America or other duly constituted authority, except only to the extent that it authorizes the use of the subject property above described in any specific respects described herein. This order shall not be deemed to constitute a building permit, nor shall this order constitute any other license or permit required by Town ordinance or other law.
3. This conditional use hereby authorized shall be confined to the subject property described, without extension or expansion other than as noted herein, and shall not vary from the purposes herein mentioned unless expressly authorized in writing by the Town Plan Commission as being in compliance with all pertinent ordinances.
4. All buildings and grounds shall be maintained in a neat, attractive and orderly way.
5. The property shall comply with all rules and regulations of the Town of Delafield and the local Fire Department, including submission to routine inspections by Town and Fire Department staff.

6. The site shall meet all Waukesha County storm water requirements and gain Waukesha County stormwater management plan approval prior to the execution of the Conditional Use Permit, if said site meets the applicability criteria found in Section 14.333 of the Waukesha County Stormwater ordinance
7. Should the permitted conditional use be abandoned in any manner, or discontinued in use for twelve (12) months, or continued other than in strict conformity with the conditions of the original approval, or should the petitioner be delinquent in payment of any monies due and owing to Town, or should a change in the character of the surrounding area or the use itself cause it to be no longer compatible with the surrounding area or for similar cause based upon consideration of public health, safety or welfare, the conditional use may be terminated by action of the Town Plan Commission, pursuant to the enforcement provisions of this Conditional Use Order, and all applicable ordinances.
8. Any change, addition, modification, alteration and/or amendment of any aspect of this conditional use, including but not limited to an addition, modification, alteration, and/or amendment to the use, premises (including but not limited to any change to the boundary limits of the subject property), structures, lands or owners, other than as specifically authorized herein, shall require a new permit and all procedures in place at the time must be followed.
9. Unless this conditional use permit expressly states otherwise, plans that are specifically required by this conditional use order may be amended upon the prior approval of the Town Plan Commission if the Town Plan Commission finds the plan amendment to be minor and consistent with the conditional use permit. Any change in any plan that the Town Plan Commission feels, in its sole discretion, to be substantial shall require a new permit, and all procedures in place at the time must be followed.
10. Petitioner and Owner Agreement. As a condition precedent to the issuance of the conditional use permit, the owner of the Subject Property shall approve the issuance of this conditional use permit upon the terms and conditions described herein in writing, and the Petitioner is required to accept the terms and conditions of the same in its entirety in writing.
11. Professional fees. Petitioner shall, on demand, reimburse the Town for all costs and expenses of any type that the Town incurs in connection with this application, including the cost of professional services incurred by the Town (including engineering, legal, planning and other consulting fees) for the review and preparation of the necessary documents or attendance at meetings or other related professional services for this application, as well as for any actions the Town is required to take to enforce the conditions in this conditional approval due to a violation of these conditions.
12. Payment of charges. Any unpaid bills owed to the Town by the Subject Property Owner or his or her tenants, operators or occupants, for reimbursement of professional fees (as described above); or for personal property taxes; or for real property taxes; or for licenses, permit fees or any other fees owed to the Town; shall be placed upon the tax roll for the Subject Property if not paid within thirty (30) days of billing by the Town, pursuant to section 66.0627, Wisconsin Statutes. Such unpaid bills also constitute a breach of the requirements of this conditional approval that is subject to all remedies available to the Town, including possible cause for termination of this approval.
13. Current Address. The Petitioner is obligated to file with the Town Clerk a current mailing address and current phone number at which the Petitioner can be reached, which must be continually updated by the Petitioner if such contact information should change, for the duration of this conditional use. If the Petitioner fails to maintain such current contact information, the Petitioner thereby automatically waives notice of any proceedings that may be commenced under this conditional approval, including proceedings to terminate this conditional use.
14. Conditions Shown in Minutes Incorporated. All conditions of approval imposed by duly adopted motion of the Town Board in its consideration of the Petitioner's application, as noted in the Minutes of the Town Board meeting at which approval was granted, are specifically incorporated herein by

reference.

15. Should any paragraph or phrase of this conditional use permit be determined by a Court to be unlawful, illegal or unconstitutional, said determination as to the particular phrase or paragraph shall not void the rest of the conditional use and the remainder shall continue in full force and effect.
16. If any aspect of this conditional use permit or any aspect of any plan contemplated and approved under this conditional use is in conflict with any other aspect of the conditional use or any aspect of any plan of the conditional use, the more restrictive provision shall be controlling as determined by the Town Plan Commission.

F. Performance Standards.

1. It is the intent of this Section to describe performance standards for the regulation of uses and to establish an objective and equitable basis for control and to insure that the community is adequately protected from potential hazardous and nuisance-like effects. These performance standards are designed to limit, restrict, and prohibit the effects of those uses outside their premises or zoning district. In addition, these performance standards are intended to comply with other applicable local, state and federal codes and standards. All structures, lands, air and water shall hereafter comply with the following performance standards.

2. Control of Odors

No operation or activity shall emit any substance or combination of substances in such quantities that create an objectionable odor. The Plan Commission reserves the right to request an odor control plan from the applicant to identify potential odors and implement recommendations from the plan.

3. Control of Fire and Explosive Hazards

- a. All uses involving the manufacturing, utilization, processing, or storage of flammable and explosive materials shall be provided with adequate safety devices against the hazard of fire and explosion and with adequate firefighting and fire suppression equipment and devices as may be required by the Fire Prevention Code.
- b. All materials that range from active to intense burning shall be manufactured, utilized, processed, and stored only in completely enclosed buildings which have noncombustible exterior walls and an automatic fire extinguishing system.
- c. The storage of fuels and other materials that produce flammable or explosive vapors shall be permitted only after review and approval by the Town of Delafield Fire Department and in accord with their requirements to minimize fire and explosive hazards.

4. Glare, Heat and External Lighting

- a. No operation or activity shall produce any intense lighting, glare or heat with the source directly visible beyond the boundary of the property line. Operations producing light, glare, or heat shall be conducted within an enclosed building.
- b. External lighting shall be shielded so that light rays do not adversely affect adjacent uses.

5. Water Quality Standards

- a. No activity shall locate, store, or permit the discharge of any treated, untreated, or inadequately treated liquid, gaseous, or solid materials of such nature, quantity, obnoxiousness, toxicity or temperature that might runoff, seep, percolate, or wash into surface or subsurface waters so as to contaminate, pollute or harm such waters or cause nuisances such as objectionable shore

deposits, floating or submerged debris, oil or scum, color, odor, taste or unsightliness, or be harmful to human, animal, plant, or aquatic life.

- b. No activity shall withdraw water or discharge any liquid or solid materials so as to exceed or contribute toward exceeding the minimum standards and those other standards and the application of those standards set forth in Wis. Adm. Code NR 102 or in other applicable Chapters which regulate water quality.

6. Noise

No operation or activity shall transmit any noise beyond the boundaries of the property so that it becomes a nuisance.

7. Vibration

- a. No operation or activity shall transmit any physical vibration that is above the vibration perception threshold of an individual at or beyond the property line of the source. Vibration perception threshold means the minimum ground- or structure-borne vibrational motion necessary to cause a reasonable person to be aware of the vibration by such direct means as, but not limited to, sensation by touch or visual observation of moving objects.
- b. Vibrations not directly under the control of the property user and vibrations from temporary construction or maintenance activities shall be exempt from the above standard.

8. Traffic Impact

- a. The Plan Commission reserves the right to require a traffic impact study in order to identify impacts to adjacent properties and roadways and to identify improvements or actions required to minimize or eliminate impacts. No use shall be approved unless the applicant implements the conclusions and recommendations of the study. The traffic study shall be prepared by a registered professional engineer in accordance with the following standards:
 - Manual on Transportation Studies (Institute of Transportation Engineers (ITE))
 - Traffic Impact Analysis Guidelines (Wisconsin Department of Transportation)
 - Manual on Uniform Traffic Control Devices (Federal Highway Administration)
 - Trip Generation Manual (Institute of Transportation Engineers)
 - Other local, county or state standards

5. CONDITIONAL USES PERMITTED.

Subject to the foregoing, in addition to such uses enumerated in the district regulations, the following may be permitted as conditional uses in the districts specified, provided further that a public hearing pursuant to this Chapter shall be held before approval for any such conditional use is granted.

- A. **Animal Hospitals and Kennels.** This provision does not apply to hobby kennels as defined by section 17.02. Hobby kennels are separately provided for in this chapter.

- d. There shall be a minimum living area of 400 sq. ft. for an efficiency apartment, 550 sq. ft. for a one bedroom apartment and 750 sq. ft. for a two bedroom apartment. No dwelling unit shall have more than two bedrooms.
- e. There shall be one covered parking space per dwelling unit.
- f. Multi-story housing for the elderly shall be provided with elevators.
- g. Restrictions shall be placed on the development consistent with State and Federal regulations governing elderly housing.
- h. In the case of phased development of an elderly project as defined, the developer shall present evidence to the Plan Commission that at least 50% of all previous phases are occupied.

F. Group Day Care Center.

1. **Where Permitted.** Subject to the provisions of subsection 2., group day care centers are conditional uses which may be permitted in the following districts:

R-1 Residential District
R-1A Residential District
R-2 Residential District

R-3 Residential District
R-L Residential Lake District
B-1 Restricted Business District
B-2 Shopping Center District
B-3 Business Park District
A-1 Agricultural District
A-2 Rural Home District
A-3 Suburban Home District
M-1 Industrial District

2. **Standards Under Which Permitted.**

- a. Conditional use status shall not be granted to a group day care center unless the property owner's written permission is obtained and submitted as part of the conditional use permit application.
- b. The facility may not open until proof of licensure from the State of Wisconsin is provided to the Town Clerk.
- c. Access to the site meets WisDOT site distance standards.
- d. Drop-off and pick-up areas can accommodate projected traffic.
- e. Parking stalls are provided for employees in accordance with Section 17.09 I. of the Town Code.

G. Hobby Kennels.

1. **Where Permitted.** Subject to the provisions of subsection 2., a hobby kennel, as defined in section 17.02, is a conditional use which may be permitted in the following districts:

R-1 Residential District
R-1A Residential District
R-2 Residential District
R-3 Residential District
R-L Residential Lake District
A-1 Agricultural District
A-2 Rural Home District
A-3 Suburban Home District
A-E Exclusive Agricultural District

2. **Standards Under Which Permitted.**

Conditional use status shall not be granted to a hobby kennel unless all of the following standards are met:

- a. The applicant must provide an annual report that they meet the standards herein, summary of complaints, if any and any changed conditions in the neighborhood.
- b. The lot must be at least 1 1/2 acres in area.

- c. Applicant shall provide a signed and sealed plat of survey showing the location of all features on the lot, adjacent structures, outdoor kennel location, fences and areas where household pets will be let out.
- d. Plan shall be submitted to address household pets that get out of the kennel.
- e. Plan shall be submitted detailing safety measures to be taken to assure that household pets do not run loose in the area.
- f. The kennel must be a minimum of 50' from the closest lot line.
- g. No more than 3 household pets shall be permitted on a 1 1/2 acre site, plus 2 household pets per additional acre up to 10 household pets maximum.

H. Intermediate Day Care Home.

1. **Where Permitted.** Subject to the provisions of subsection 2., intermediate day care homes are conditional uses which may be permitted in the following districts:

R-1 Residential District
 R-1(A) Residential District
 R-2 Residential District
 R-3 Residential District
 R-L Residential Lake District
 A-1 Agricultural District
 A-2 Rural Home District
 A-3 Suburban Home District

2. **Standards Under Which Permitted.**

Conditional use status shall not be granted to an intermediate day care home unless all of the following conditions are met:

- a. The lot is at least 7200 square feet in area.
- b. A minimum of 140 square feet of living space per child is provided.
- c. A minimum of 100 square feet of fully enclosed outside play area shall be provided per child at maximum permitted occupancy.
- d. Conditional use status shall not be granted to a group day care center unless the property owner's written permission is obtained and submitted as part of the conditional use permit application.
- e. The facility may not open until proof of licensure from the State of Wisconsin is provided to the Town Clerk.
- f. Access to the site meets WisDOT site distance standards.
- g. Drop-off and pick-up areas can accommodate projected traffic.

- h. Parking stalls are provided for employees in accordance with Section 17.09 I. of the Town Code.

I. Keeping of Poultry or Livestock.

- 1. **Where Permitted.** Subject to the provisions of subsection 2., the keeping of poultry or livestock is a conditional use which may be permitted in the following districts:

A-2 Rural Home District

- 2. **Standards Under Which Permitted.**

Conditional use status shall not be granted to the keeping of poultry or livestock unless all of the following standards are met:

- a. The keeping of poultry, fowl and domestic livestock must be on lots of 3 acres or more.
- b. Maximum practical conditions of neatness and sanitation are maintained and all fowl are kept confined or enclosed.
- c. Not more than one head of livestock or ten fowl shall be kept per acre of land except where such use existed prior to the date of the chapter as principal commercial or agricultural use, such use may be continued subject to the limitations regulating a nonconforming use as regulated by this chapter.

The keeping of hogs, male goats or furbearing animals must be on lots of 20 acres or more.

J. Legal Nonconforming Uses.

Where Permitted. Subject to the provisions of Section 7 of this Chapter, a legal nonconforming use may be granted conditional use status in the district in which it is located subject to submitting a petition under this section.

K. Master Sign Program.

- 1. **Where Permitted.**

A-1 Agricultural District
A-E Exclusive Agricultural District
A-2 Rural Home District
B-1 Restricted Business District
B-2 Shopping Center District
B-3 Business Park District
M-1 Industrial District
P-1 Park and Recreation District
WF-1 Wetland-Floodplain District

- 2. **Standards Under Which Permitted.**

- a. All signs shall be uniform in theme, size, color and style.
- b. Use shall be for multi-tenant operations, office parks, industrial parks, multi-tenant office and retail buildings, and commercial developments that include separate commercial activities.
- c. Applicant shall provide mock ups of all signs and include dimensions, area, colors, height, material, method of attachment, lighting and site plan with location shown.
- d. The requirements of Section 17.08 may be modified by the express terms of the Master Sign Program conditional use order.

L. Private Clubs and Outdoor Recreational Facilities Such as Recreational Camps, Golf Courses, Bathing Beaches and Resorts.

- 1. **Where Permitted.** Subject to the provisions of subsection 2., private clubs and outdoor recreational facilities such as recreational camps, golf courses, bathing beaches and resorts are conditional uses which may be permitted in the following districts:

All Districts.

- 2. **Conditions Under Which Permitted.**

Conditional use status shall not be granted to private clubs or outdoor recreational facilities such as recreational camps, golf courses, bathing beaches and resorts unless all of the following conditions are met:

- a. The lot is at least 3 acres in area, except that this area requirement shall not apply in the following districts:
 - B-1 Restricted Business District
 - B-2 Shopping Center District
 - B-3 Business Park District
 - M-1 Industrial District
- b. No building, other than one used only for residence purposes, shall be closer than 75' to the lot line of an adjoining lot in a district permitting residential use.
- c. No such permitted use shall include the operation of a commercial facility such as a bar or restaurant except as may be specifically authorized in the grant of permit.
- d. No lighting installations shall be permitted which create a hazard to traffic or nuisance to surrounding property. The use of flashing or revolving spot lights and the like, other than traffic control lights, are specifically prohibited.

M. Quarrying.

- 1. **Where Permitted.** Subject to the provisions of subsection 2., quarrying, as defined in this chapter, is a conditional use which may be permitted in the following districts:

2. **Standards Under Which Permitted.**

Conditional use status shall not be granted to a quarrying operation unless all of the following standards are met:

- a. A quarrying permit for such operation must be obtained from the Town Board. Such permit shall be for an initial period as is deemed appropriate to the specific situation but not to exceed 5 years and may be renewed thereafter for periods not to exceed 3 years provided application therefor shall be made at least 60 days and no more than 120 days before expiration of the original permit. Application after such date shall be treated as an original application.
- b. Application for a quarrying permit shall be made on forms supplied by the Town Clerk.
- c. The application for a quarrying permit shall be accompanied by: a fee as set from time to time by the Town Board to defray the cost of notification and holding of public hearing; a full and adequate description of all phases of the contemplated operation and the specific mention of type of machinery and equipment which will be or might be necessary to carry on the operation; where the operation is to include the washing of sand and gravel, the estimated daily quantity of water required, its source and its disposition shall be made part of the description; a legal description of the proposed site with a map showing its location with indications of existing or proposed private access roads, and of existing or proposed public highways adjacent to the site which will be affected by the operation; a topographic map of the area at a minimum contour interval of 5' extending beyond the site to the nearest public street or highway or to a minimum distance of 300' on all sides; a restoration plan as required by subparagraph d. below; the names and addresses of the owners of all properties within 1/2 mile of the perimeter of the proposed quarrying operation.
- d. In order to insure that the area of quarrying operation shall be restored to a condition of practical usefulness and reasonable physical attractiveness, the owner or operator shall, prior to the issuance of a permit, submit to the Town Board a plan for such restoration in the form of the following:
 - (1) An agreement with the Town whereby the applicant contracts to restore the premises to a condition and within a time satisfactory to the Town;
 - (2) A physical restoration plan showing the proposed contours after restoration, plantings and other special features of restoration and the method by which such restoration is to be accomplished;
 - (3) A certified check or other financial guarantee satisfactory to the Town, in an amount sufficient in the opinion of the Town Board to secure the performance of the restoration agreement;
 - (4) Such agreement and financial guarantee shall be in a form approved by the Town Attorney;
 - (5) In the event of the applicant's failure to fulfill this agreement, such bond, check or other financial guarantee shall be deemed forfeited for the purpose of enabling the Town to perform the restoration;

- (6) Restoration shall proceed as soon as practicable and at the order and direction of the Town Engineer. However, the owner or operator may, at his option, submit a plan for progressive restoration as the quarrying operation is being carried on. The required bond in such case may cover progressive stages of the restoration for periods of not less than 2 years;
 - (7) At any stage during the restoration, the plan may be modified by mutual agreement between the Town Board, after referral to the Plan Commission and the owner or operator;
 - (8) Where there is any backfilling, the clean material used or the method of fill shall not be such as to create a health hazard nor which would be objectionable because of odor, combustibility or unsightliness. No more than 10 loads per day shall be allowed to dump clean fill into the site. In any case, the finished grade of the restored area, except for rock faces, outcroppings, water bodies or areas of proposed building or paving construction shall be of a sufficient depth of earth to support plant growth;
 - (9) Within one year after the cessation of the operation, all temporary structures (excepting fences), equipment, stockpiles, rubble heaps or other debris shall be removed or backfilled into the excavation so as to leave the premises in a neat and orderly condition;
 - (10) In any restoration procedure which takes place in sand or gravel pits or on other sites where the material is of a loose or friable nature, no slope shall be left which is steeper than a ratio of four horizontal to one vertical. In no case shall any slope exceed the normal angle of slippage of the material involved.
- e. The application and all data and information pertaining thereto shall be referred to the Plan Commission for public hearing, report and recommendation back to the Town Board within a reasonable time after the public hearing.
 - f. Notices shall be sent through the mail or otherwise placed in the hands of all owners of land in the Town and to the Clerks of adjoining municipalities who have land which lies within 1/4 mile of the perimeter of the proposed quarrying operation. These notices shall be mailed or delivered at least 10 days prior to the date of hearing. Substantial compliance with the notice requirements of this section shall be deemed sufficient.
 - g. The Town Board shall, within a reasonable time after receipt of the recommendation, approve or disapprove the application for the proposed quarrying operation and shall be guided by consideration of the public health, safety and welfare and shall give particular consideration to the following factors in making their decision: the effect of the proposed operation on existing roads and traffic movement in terms of adequacy, safety and efficiency; the effect of the proposed operation on drainage and water supply; the possibility of soil erosion as a result of the proposed operation; the degree and effect on dust, noise, smoke and air pollution as a result of the proposed operation; the practical possibility of restoration of the site; the effect of the proposed operation on the natural beauty, character, tax base, land value and land uses in the area; the most suitable land use for the area with particular consideration for future residential value.
 - h. Any conditions necessary to the granting of a permit shall be in writing and copies made a part of the permit and a part of the records of the Town.

- i. The procedures set forth above shall also apply to applications for renewal of a permit. Determination in regard to renewal shall be based particularly on an evaluation of the effect of the continuance of the use with relation to changing conditions in the area. Where renewal is not granted, the reasons for refusal shall be presented to the applicant in writing and made a part of the records of the Town.
- j. No part of the quarrying operation shall be permitted closer than 1,000', nor shall any accessory access road, parking area or office building be permitted closer than 500' to the district zoned Rural Home, Suburban Home or Residential at the time of the grant of the permit, except with the written consent of the owners of a Rural Home, Suburban Home or Residentially zoned properties within 1,000' but in no case shall such operation be permitted closer than 200' to a Residential District; no quarrying operation shall be permitted if 30 or more families reside within a band 1/2 mile wide around the perimeter of the proposed operation.
- k. No part of the quarrying operation other than access roads shall be located closer than 200' nor shall any accessory parking area, stock pile or office building be located closer than 100' to the base setback line along any street or highway.
- l. No part of the quarrying operation shall be permitted closer than 200'.
- m. Nor shall any accessory access road, parking area or office building be permitted closer than 50' to any property line except with the written consent of the owner of the adjoining property or except where the line is abutting an existing quarrying operation, but in no case shall such operation be closer than 20' to any property line except by agreement between abutting quarrying operations or be in conflict with the provisions of this chapter relating to preservation of topography.
- n. Fencing or other suitable barrier shall be erected and maintained around the site or around portions of the site where, in the determination of the Town Board, such fencing or barrier is necessary for the protection of the public, and shall be of a type approved by the Town Board.
- o. All machinery and equipment used in the quarrying operation shall be constructed, maintained and operated in such a manner as to minimize dust, smoke, air pollution, noise and vibration.
- p. Access and haulage roads on the site shall be maintained in a dust free condition by surfacing or treatment as directed by the Town Engineer.
- q. The crushing, washing, refining or other processing other than the initial removal of material, may be permitted as an accessory use only as specifically authorized under the terms of the grant of permit.
- r. In stone quarries the production or manufacturing of veneer stone, sills, lintels, cut flagstone, hearthstones, paving stone and similar architectural or structural stone and the storing or stockpiling of such products on the site shall be considered a permissible part of the operation, provided such production does not require the use of crushing or other heavy machinery except as may be specifically authorized under the terms of the permit.
- s. The manufacture of concrete building blocks or other similar blocks, the production or manufacture of lime products, the production of ready-mixed concrete and any similar production or manufacturing processes which might be related to the quarrying operation

may be permitted as an accessory use only as specifically authorized under the terms of the permit.

- t. The washing of sand and gravel shall be prohibited in any operation where the source of water is of doubtful capacity or where the quantity of water required will, in the opinion of the Town Engineer, seriously affect the supply of water for other uses in the area or where the drainage from such washing would result in silting or pollution of the stream or water course.
- u. The planting of trees and shrubs and other appropriate landscaping shall be provided where deemed necessary by the Town Board to screen the operation so far as practical from normal view, to enhance the general appearance from the public right-of-way, and generally to minimize the damaging effect of the operation on the beauty and character of the surrounding country side. Such planting shall be started as soon as practical, but no later than one year after quarrying operations have begun and shall be done according to the decision of the Town Board.
- v. Quarrying operations shall not begin before the hour of 7 a.m. and shall not continue after the hour of 6 p.m. and no operation shall take place on Sundays or legal holidays. During periods of national or unusual emergency, time and hours of operation may be altered at the discretion of the Town Board and through the issuance of a special permit which shall be renewable at 30 day intervals.
- w. When the operation is limited to the removal of topsoil, the Town Board may, consistent with the intent of these regulations, modify any or all of the provisions of this section, provided however, that in no case shall operations be permitted closer than 10' from any property line, or to a depth in excess of 18" or so as to adversely affect the drainage of the area and in such instances the operator shall restore the excavated area with topsoil to a depth of 4" and seed the same with grass.
- x. The provisions of this section shall not apply to an operation which is incident to the legitimate use of the premises, provided, however, where such operation involves the commercial disposal of the material removed, approval of the Town Board shall be required and such operation shall be limited to a maximum period of 6 months.
- y. Application to existing operations:
 - (1) Within 60 days after the adoption of this chapter, all existing quarrying operations shall be required to register with the Town Clerk submitting pertinent data relative to the present operation including the boundaries of the actual operation and of the ownership. A quarrying permit shall be granted to such existing operation subject to compliance with the operation requirements herein where they can be reasonably applied under existing circumstances.
 - (2) There shall be required within one year after adoption of this chapter, the submission of a plan for restoration of the site of any existing quarrying operation as provided by subparagraph d. above. The plan for restoration in such case shall not, however, impose requirements which are economically unreasonable or unreasonable from an engineering standpoint with respect to conditions resulting from operations prior to enactment of this chapter.

- (3) Within 3 years after the date of this chapter any such existing operation shall be required to make application for a renewal permit the same as for reapplication in the case of a new operation under this chapter.

N. Riding Academies or Commercial Stables.

1. **Where Permitted.** Subject to the provisions of subsection 2., riding academies and commercial stables are conditional uses which may be permitted in the following districts:

A-1 Agricultural District
A-2 Rural Home District
A-E Exclusive Agricultural District

2. **Standards Under Which Permitted.** Conditional use status shall not be granted to riding academies or commercial stables unless all of the following conditions are met;

- a. The lot is at least 7 ½ acres in area.

- b. Building location:

- (1) All buildings shall comply with the setback and offset provisions of the underlying zoning district, except as provided below.
- (2) No new building housing animals shall be closer than 100' to the lot line of an adjoining lot in a district permitting residential use. All other new buildings shall meet the offset and/or setback requirements of the zoning district in which they are located.
- (3) Existing buildings constituting legal nonconforming structures may remain although their use may be restricted in the grant of permit.
- (4) No existing building, except one designated as a rustic structure pursuant to Town ordinance, which is located closer than 100' to the lot line of an adjoining lot in a district permitting residential use, may be used to house animals except as may be specifically authorized in the grant of permit after review by the Plan Commission of the following factors:
 - the overall size of the property;
 - the nature of the building's use;
 - the intensity of the building's use, including the type and number of animals to be housed, and the hours and days of operation,
 - the pattern and location of other activity on the property;
 - the location and use of buildings on neighboring properties;
 - the activities conducted on neighboring properties;
 - the consent of neighboring property owners to the intended use; and, - provisions for manure storage and disposal.
 - the location of the existing building in relationship with the adjacent property line.

Any such building may be reconstructed or enlarged only as specifically authorized in the grant of permit or an amendment thereto.

- c. No such permitted use shall include the operation of a commercial facility such as a bar or restaurant except as may be specifically authorized in the grant of permit.
- d. No lighting installations shall be permitted which create a hazard to traffic or nuisance to surrounding property. The use of flashing or revolving spot lights, are specifically prohibited.
- e. Applicant shall submit a manure management plan to Waukesha County Environmental Health Division and the Town for approval, which includes the following information and any other information required by Waukesha County:
 - (1) number and kind of animals
 - (2) scaled site plan
 - (3) detailed soil investigation with reference to ground water and bedrock presence
 - (4) details of any structures to be built for animal waste management
 - (5) construction timeline
 - (6) details of manure transfer system
 - (7) plans for utilization of the manure, including information on land availability, soil types, and methods and rates of application
- f. A lighting location and iso-footcandle plan shall be submitted showing cut-off type fixtures, pole types, height. Light at all property lines shall be 0 foot-candles.

O. Solar Energy Systems

- 1. **Where Permitted.** Subject to the provisions of this subsection, solar energy systems as defined in Wisconsin Statutes Section 13.48(2)(h) 1.g. are a conditional use which may be permitted in any district in the Town of Delafield.
- 2. **Standards Under Which Permitted.**
 - a. District Regulations. The location, height, area, yard, parking, loading, traffic and highway access and other regulations of the district in which the use is located shall not apply to the solar energy system, unless the Town Board finds that the restriction satisfies one of the following conditions.
 - i. Serves to preserve or protect the public health or safety.
 - ii. It does not significantly increase the cost of the system or significantly decrease its efficiency.
 - iii. It allows for an alternative system of comparable cost and efficiency.

If one or more of the foregoing conditions is found to apply with regard to any such restriction of this Code, then such restriction shall apply to the solar energy system.
 - b. The Town Plan Commission may recommend, and the Town Board may require compliance with such other conditions as may be deemed necessary in the specific situation, provided that any such restriction imposed must be found to meet the following conditions:
 - i. Serves to preserve or protect the public health or safety.

- ii. It does not significantly increase the cost of the system or significantly decrease its efficiency.
- iii. It allows for an alternative system of comparable cost and efficiency.

P. Commercial Planned Unit Development

1. **Where Permitted.** Subject to the provisions of subsection 2. commercial planned unit developments are conditional uses which may be permitted in the following districts:

B-2 Shopping Center District
B-3 Business Park District
M-1 Industrial District

2. **Standards Under Which Permitted.**

Conditional use status shall not be granted to a commercial planned unit development unless all of the following conditions are met:

- a. No structures or sewage disposal systems shall be allowed in the Wetland-Floodplain District or within 75' of the district.
- b. A minimum amount of permanent common open space shall be set aside in each development as shown in Table 17-1.
- c. The unified and planned development of a site, in single or corporate ownership at the time of development, may be permitted in a planned development without the customary division into individual lots and without requiring strict compliance with the specific district regulations, subject to the requirements of this section. In order to accomplish this intended unified planned development, the Town shall consider all structures and uses on the entirety of each Lot that is included, or included in part, within the jurisdiction of the Town of Delafield Zoning ordinance, in the development. By petitioning for a Commercial Planned Unit Development conditional use, the petitioner accepts that the Town will exercise this authority, even on portions of Lots that may be partially outside of the Town of Delafield's zoning jurisdiction.
- d. Approval of a development shall be in accordance with the following conditions:
 - (1) All sanitary provisions must conform to the requirements of the State Department of Commerce, the Waukesha County Health Department, the local sanitary district and the Town;
 - (2) The proposed development must be in conformity with the Town comprehensive plan, must not be contrary to the general welfare or economic balance of the community and the benefits and amenities of the resultant development must justify the variation from the normal requirements of the district in which it is located as determined by the Town Board
 - (3) The provisions of sections 18.06 and 18.07 of this General Code shall govern the design and construction of all roads and public improvements. Any modification of these standards must be consistent with good engineering practices and be approved in writing by the Town Board;

- (4) The provisions of section 18.07 shall govern with respect to dedication of public sites or payment in lieu of dedication; and
 - (5) The application of these regulations shall be limited to parcels of not less than 10 acres in area.
- e. Table 17-1 shall be utilized to determine the minimum amount of open space per development, minimum permanent common open space, minimum lot size and minimum open space per lot to be utilized for the development of a commercial planned unit development and associated platting of lots in the planned unit development:

TABLE 17-1

District	Title	Minimum Open Space for Development Area	Minimum Permanent Common Open Space	Minimum Individual Lot Size	Minimum Open Space Per Lot
B-2	Shopping Center District	50%	25%	2 acres	25%
B-3	Business Park District	75%	40%	2 acres	25%
M-1	Industrial District	60%	35%	2 acres	25%

- f. Lot width, setback, offsets and height shall follow the regulations found for each zoning district in 17.04.
- g. Adequate guarantee shall be provided for permanent retention of open space resulting from these regulations, either by private reservation for use of the building or property owners within the development or by public dedication. Any lot containing permanent common open space shall be owned in common by the owners of the properties that make up the development or by a business owners association and shall not be further divided nor shall they be used for residential, commercial or development purposes. Buildings or structures for noncommercial, recreational or accessory facilities may be permitted in such open space area subject to specific grant in the conditional use permit. Perpetual care and maintenance of such open space areas shall be provided for and an operational plan shall be submitted for specific approval and inclusion in the terms of the permit. Ownership and tax liability of the open space areas shall be established in a manner acceptable to the Town and shall be made a part of the conditions of approval.
- g. A traffic study shall be prepared by a registered professional engineer to identify impacts to adjacent properties and roadways and to identify improvements or actions required to minimize or eliminate impacts. No use shall be approved unless the applicant implements the conclusions and recommendations of the study. The traffic study shall be prepared in accordance with the following standards:
 - Manual on Transportation Studies (Institute of Transportation Engineers (ITE))
 - Traffic Impact Analysis Guidelines (Wisconsin Department of Transportation)

- Manual on Uniform Traffic Control Devices (Federal Highway Administration)
 - Trip Generation Manual (Institute of Transportation Engineers)
 - Other local, county or state standards
- i. Public sanitary sewer shall be available to service the development. If approved by the Town Board and, if applicable, the Waukesha County Health Department and local sanitary district, a private sewerage disposal system may be accepted as an alternative to the public facility required.
 - j. The developer shall submit a development plan and enter into an appropriate contract with the Town to guarantee the implementation of the development according to the terms and conditions established as part of the development plan approval.
 - k. The Plan Commission in making its recommendation and the Town Board in making its determination as to the approval or denial of the conditional use permit for the commercial planned unit development shall give consideration to the purposes in this section and be satisfied as to the following:
 - (1) That the proposed development is consistent with the spirit and intent of the chapter, is in conformity with the general character of the Town and would not be contrary to the general welfare and economic prosperity of the Town or of the immediate neighborhood, but rather that the benefits from the anticipated improved design of the resultant development justifies the variation from the normal requirements of this chapter through the application of this planned development section.
 - (2) That the size, quality and architectural design of all buildings in the project will not have an adverse effect upon the general character of the Town and surrounding neighborhood.
 - (3) That the provisions and facilities of the open space areas being provided is of such quality, size and aesthetic value to justify the approval of the project.
 - (4) That the setbacks shall be maintained along any boundary street of the project area as required by the existing underlying basic district.
 - (5) That no building shall be permitted closer to a side or rear boundary street of the project area as required by the existing underlying basic district.
 - (6) That there shall be no further division of any lot within the development without consideration and approval of a new conditional use permit.
 - (7) That deed restrictions or an appropriate contract with the Town assuring implementation of the development according to the above requirements is filed with the Waukesha County Register of Deeds.
 - l. The approval of a petition for conditional use shall be based on and include as conditions thereto the building, site and operational plans for the development as approved, as well as all other commitments offered as required in regard to project value, character or other factors pertinent to an assurance that the proposed development will be carried out as presented for the project. After all conditions of a planned unit development project are certified by the Town Board as being completed, the uses established pursuant to the approved development plan

and conditional use order shall be deemed to be permitted uses in the district in which it is located; however, the conditional use order shall remain in effect for purposes of ongoing compliance with the development plan.

- m. Any subsequent change or addition to an approved development plan shall first be submitted for approval to the Plan Commission and, if in the Commission's opinion such change or addition is not substantial, it may recommend approval to the Town Board without public hearing. If the Plan Commission deems that any proposed change is not acceptable, it shall recommend accordingly to the Town Board. Without limitation to the Plan Commission's right to determine any other change substantial, a change in any of the following respects shall be automatically construed as substantial:
- (1) An increase in the number of buildings from that shown in the approved comprehensive project plan.
 - (2) A significant change in the size, value or type of structure from that indicated in the approved comprehensive project plan.
 - (3) The addition of any principal uses not included in the approved comprehensive project plan.
 - (4) A change in the basic concept of site development which would significantly alter the relationship of uses or open space to adjoining properties.
 - (5) Change of ownership.

SECTION 18: CONTINUATION OF EXISTING PROVISIONS.

The provisions of this ordinance, to the extent that they are substantively the same as those of the ordinances in force immediately prior to the enactment of this ordinance, are intended as a continuation of such ordinances and not as new enactments, and the effectiveness of such provisions shall date from the date of adoption of the prior ordinances. In addition, the adoption of this ordinance shall not affect any action, prosecution or proceeding brought for the enforcement of any right or liability established, accrued or incurred under any legislative provision prior to the effective date of this ordinance for the time that such provision was in effect, and the repeal of any such provisions is stayed pending the final resolution of such actions, including appeals.

For any Residential Planned Unit Development conditional use permit granted pursuant to Section 17.05 5. AM. of the Town of Delafield Zoning Code prior to the effective date of this ordinance, the repeal of such code section is stayed solely for such existing conditional use permits, for the duration of the conditional use permits, and the conditional use orders remain in effect pursuant to their terms. Other than Residential Planned Unit Developments, any conditional use permit granted prior to the effective date of this ordinance pursuant to a Section of the Town of Delafield Zoning Code that is hereby repealed, that is no longer an allowed use, shall be a legal non-conforming use, subject to all terms and

conditions stated in the conditional use order. Any conditional use permit granted prior to the effective date of this ordinance that requires compliance with a Section of the Town of Delafield Zoning Code that is hereby repealed, shall continue to require compliance with the referenced Code Section in existence immediately prior to the repeal, and the repeal of such provisions is stayed solely for such existing conditional use permits. These continuation provisions are intended to preserve the status quo for all rights and responsibilities incurred or accrued prior to the adoption of this ordinance. Nothing herein shall be interpreted to prevent existing conditional use permit holders from applying to amend their conditional use pursuant to all laws in effect at the time of the application.

SECTION 19: SEVERABILITY.

The several sections of this ordinance are declared to be severable. If any section or portion thereof shall be declared by a court of competent jurisdiction to be invalid, unlawful or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and shall not affect the validity of any other provisions, sections or portions thereof of the ordinance. The remainder of the ordinance shall remain in full force and effect. Any other ordinance whose terms are in conflict with the provisions of this ordinance are hereby repealed as to those terms that conflict.

SECTION 20: EFFECTIVE DATE.

This ordinance shall be effective upon publication or posting as provided by law.

ORDINANCE _____

AN ORDINANCE TO CREATE SECTION 18.16 OF THE LAND DIVISION AND DEVELOPMENT CONTROL ORDINANCE OF THE MUNICIPAL CODE FOR THE TOWN OF DELAFIELD, WAUKESHA COUNTY, WISCONSIN

WHEREAS, the Town Board for the Town of Delafield adopted land division regulations for the Town of Delafield and has amended such regulations from time to time, pursuant to Wisconsin Statutes §236.45; and

WHEREAS, the land division regulations, as amended, are codified as Chapter 18 of the Town of Delafield code of ordinances entitled "Land Division and Development Control," and

WHEREAS, the Town staff have recommended amending the Land Division and Development Control Ordinance to address the issue of residential planned unit development; and

WHEREAS, upon the recommendation of the Town of Delafield zoning administrator this matter was submitted to the Town of Delafield Plan Commission for its consideration at the _____, 2018, commission meeting, pursuant to Wisconsin Statutes Section 236.45(4); and

WHEREAS, following publication of a Class 2 notice as required by Wisconsin Statute Section 236.45(4), a public hearing was held on _____, 2018 before the Town of Delafield Town Board; and

NOW, THEREFORE, the Town Board of the Town of Delafield, Waukesha County, Wisconsin DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1: Chapter 18 of the Town of Delafield Municipal Code entitled, "Land Division and Development Control," Section 18.02 entitled, "Definitions," Subsection (2) entitled, "Specific Words and Phrases," the definition of "Planned Unit Development (PUD)" is hereby created and inserted among the definitions in alphabetical order, as follows:

Planned Unit Development (PUD): A self contained development in which subdivision and zoning controls are applied to the project as a whole rather than to individual lots, and in which specific benefits are provided to the community as well as the developer and the future citizens who will reside within the development. Within PUD's, densities are calculated for the entire development, usually permitting a trade-off between clustering of homes and provisions of common open space.

SECTION 2: Chapter 18 of the Town of Delafield Municipal Code entitled, "Land Division and Development Control," Section 18.02 entitled, "Definitions," Subsection (2) entitled, "Specific Words and Phrases," the definition of "Subdivision" is hereby repealed and re-created as follows:

Subdivision. (Repealed and recreated 2014-08) The division of a lot, parcel or tract of land by the owner or his agent for the purpose of sale or building development where: the act of division creates 2 or more parcels or building sites of 5 acres each or less in area; or 2 or more parcels or building sites of 5 acres each or less in area are created by successive divisions of any part of the original property by any person within a period of 5 years; or where the division creates more than three (3) residential parcels or building sites of any size within 5 years. The following shall not constitute a subdivision: cemetery plats, assessor's plats, or the sale or exchange of parcels of land between owners of adjoining property, if additional lots are not thereby created and the lots resulting are not reduced below the minimum size required by applicable ordinances (but see Section 18.11).

SECTION 3: Chapter 18 of the Town of Delafield Municipal Code entitled, "Land Division and Development Control," Section 18.16 entitled, "Residential Planned Unit Development" is hereby created as follows:

18.16. Residential Planned Unit Development

1. STATEMENT OF INTENT

A subdivision can be developed as a Residential Planned Unit Development pursuant to this Section. Residential Planned Unit Development is intended to provide for open space/cluster/conservation type residential developments. Such developments incorporate the preservation or enhancement of environmental areas into the development; provide a safe and efficient system for pedestrian and vehicular traffic; provide attractive permanent open spaces as integral part of the development; allow flexibility of overall development design, and ensure adequate standards of planning and construction are met. Residential Planned Unit Development application and review is conducted through the plat approval procedures of this Chapter, in conjunction with the plat, subject to the additional requirements of this Section.

2. MINIMUM ACREAGE

Areas designated as Residential Planned Unit Overlay District shall be under single corporate ownership or control and shall contain a minimum development area of 20 acres.

3. BUILDING LOCATION

- (a) **Setback** 50 feet minimum.
- (b) **Offset** 20 feet minimum.

4. BASE HEIGHT REGULATIONS

- (a) **Principal Residence** 30 feet maximum.
- (b) **Accessory Structures** 12 feet maximum.

5. LOT AREA REGULATIONS

- (a) Lot size and open space: in accordance with table 18-2 herein
- (b) Lot width: in accordance with table 18-3
- (c) Floor Area: (1) Single Floor: 1,500 square feet.
 (2) All Other: See Zoning Code §17.03 5. A.

6. STANDARDS UNDER WHICH PERMITTED

Residential Planned Unit Development approval shall not be granted to a development unless all of the following standards are met:

- a. Residential Planned Unit Development is permitted in any zoning district that permits residential uses, except the A-1 Agricultural District.
- b. The land must be divided by subdivision plat certified survey map, or condominium plat, pursuant to the land division approval procedures of this Chapter.
- c. No structures or sewage disposal systems shall be allowed in the Wetland-Floodplain District or within 75' of the district.
- d. A minimum of 40% of the total PUD area shall be set aside as permanent common open space; except the 40% permanent common open space is not required if all lots in the PUD are single-family residential lots, and they each meet a minimum lot size of 5 acres or greater. The overall density shall not exceed the maximum density allowed by applicable laws and ordinances.
- e. The unified and planned development of a site, in single or corporate ownership at the time of development, may be permitted in a planned development without the customary division into individual lots and without requiring strict compliance with the specific district regulations, subject to the requirements of this section.
- f. Lot size, offset, setback and open space and floor area requirements may be modified according to the following conditions:
 - (1) All sanitary provisions must conform to the requirements of the State Department of Industry, Labor and Human Relations, the County Health Department, the local sanitary district and the Town;
 - (2) The proposed development must be in conformity with any local comprehensive plan, must not be contrary to the general welfare or economic balance of the community and the benefits and amenities of the resultant development must justify the variation from the normal requirements of the district in which it is located;
 - (3) All other requirements of the Planned Development must be met as set forth in this subparagraph;
 - (4) The provisions of sections 18.06 and 18.07 of this General Code shall govern the design and construction of all roads and public improvements. Any

modification of these standards must be consistent with good engineering practices and be approved in writing by the Town Board;

- (5) The provisions of section 18.07 shall govern with respect to dedication of public sites or payment in lieu of dedication; and
 - (6) Except as specifically provided in subsection (7)(a) or (7)(b), below, the application of these regulations shall be limited to parcels of not less than 20 acres in area.
 - (7) In areas designated as "Pewaukee Lake Non-Shoreline Redevelopment Overlay District" the following conditions, in addition to those conditions above that are not in conflict, shall apply:
 - (a) The parcel shall be at least 5 acres in area, and shall be identified in the Land Use Plan as being within the Pewaukee Lake Non-Shoreline Redevelopment Overlay District.
 - (b) The Plan Commission in making its recommendation and the Town Board in making its decision shall take into consideration the following: that although a planned unit development is permitted in this district, it is the intent that such development be designed to preserve to the greatest extent reasonably possible, lake views and vistas, woodlands, steep slopes, and other natural features.
- g. Table 18-1 shall be utilized to compute the maximum dwelling unit density that may be allowed for the development and shall be referred to as the residential density factor.

TABLE 18-1

A-1	Agricultural Districts	[PUD not permitted]
A-2	Rural Home District	3.5 acres/dw. unit

Up to a maximum of 20% of the area of lands which are zoned Wetland-Floodplain within the project may be used to determine planned development project densities. However, in no case, shall the total area of Wetland-Floodplain zoned lands used in the computation exceed 25% of the net area of the project which is zoned other than Wetland-Floodplain.

- k. Adequate guarantee shall be provided for permanent retention of open area resulting from these regulations, either by private reservation for use of the residents within the development or by public dedication. The parcels created as open space in all zoning districts other than the A-1 District shall be owned in common by the residents of the development or by a home owners association and shall not be further divided nor shall they be used for residential purposes. Buildings or structures for noncommercial, recreational or accessory facilities may be permitted in such open space area subject to specific grant in the conditional use permit. Perpetual care and maintenance of such open space areas shall be provided for and an operational plan shall be submitted for specific approval and inclusion in the terms of the permit. Ownership and tax liability of the open space areas shall be established in a manner acceptable to the Town and

shall be made a part of the conditions of approval.

- l. This section shall be construed to permit any type of housing unit within the development boundaries (i.e., multiple family, single family, garden apartments, condominiums, duplexes, senior housing) subject to specific approval and conditions of this conditional use permit.
- m. Where the use is not proposed to be served by public sanitary sewers, the use of private treatment systems pursuant to SPS 83 Wisconsin Administrative Code shall apply, subject to the following:
 - (1) Private systems serving one dwelling unit shall be privately owned and maintained.
 - (2) Private systems serving more than one dwelling unit shall be the responsibility of an incorporated Owners Association subject to a maintenance and management agreement. Such agreements shall give the Town the right to inspect all facilities and make repairs at the expense of the Owners Association. In the event that the incorporated Owners Association fails to maintain or make repairs to the private system to the satisfaction of the Town, the maintenance and management agreement shall grant the Town the authority to conduct said maintenance or repairs at the expense of the Owners Association. In the event of nonpayment, all costs incurred shall be placed on the tax bills of all Owners Association properties on a prorata basis as a special assessment or special charge.
- n. The total number of dwelling units allowed for the project shall be determined by utilizing the density computation above.
- o. The floor area of attached or detached single family dwellings and duplexes shall not be less than what is required in the applicable zoning district.
- p. The architectural style of the buildings may be subject to approval by the Plan Commission.
- q. Subject to specific approval by the Town Board, floor area for multiple dwelling units may be modified in accordance with table 18-4.

TABLE 18-4

Efficiency or one bedroom apartment	900 s.f.
Two bedroom unit	1050 s.f.
Three bedroom unit	1250 s.f.

- r. The developer shall enter into an appropriate contract with the Town to guarantee the implementation of the development according to the terms and conditions

established as part of the development plan approval.

7. BASIS FOR APPROVAL

The Plan Commission in making its recommendation and the Town Board in making its determination as to the approval or denial of the land division for planned development shall give consideration to the purposes and standards in this section and be satisfied as to the following:

- a. That the proposed development is consistent with the spirit and intent of the chapter, is in conformity with the general character of the Town and would not be contrary to the general welfare and economic prosperity of the Town or of the immediate neighborhood, but rather that the benefits from the anticipated improved design of the resultant development justifies the variation from the normal requirements of this chapter through the application of this planned development section.
- b. That the size, quality and architectural design of all buildings in the project will not have an adverse effect upon the general character of the Town and surrounding neighborhood.
- c. That the provisions and facilities of the open space areas being provided is of such quality, size and aesthetic value to justify the approval of the project.
- d. That the setbacks shall be maintained along any boundary street of the project area as required by the existing underlying basic district.
- e. That no building shall be permitted closer to a side or rear boundary street of the project area as required by the existing underlying basic district.
- f. That there shall be no further division of any lot within the development.
- g. That deed restrictions or an appropriate contract with the Town assuring implementation of the development according to the above requirements is filed with the Waukesha County Register of Deeds.
- h. The proposed site shall be provided with adequate drainage facilities for surface and storm waters.
- i. No undue constraint or burden will be imposed on public services such and police and fire protection street maintenance and maintenance of public areas by the proposed development.
- j. The proposed site shall be accessible form public roads that are adequate to carry the traffic expected to be generated by the proposed development.
- k. The approval of a petition for approval of a Residential Planned Unit Development shall be based on the building, site and operational plans for the development, all other commitments offered as required in regard to project value, character or other factors pertinent to an assurance that the proposed development will be carried out basically as presented for the project.

- l. If approved, the setback, offset, height, minimum floor area, minimum lot size, density and open space requirements of the Planned Unit Development, in addition to all conditions imposed in the grant of the approval, if any, shall be recorded as a deed restriction on the development lands in a form approved by the Town Board or its designee.

- m. Any subsequent change or addition to an approved plan shall first be submitted for approval to the Plan Commission and, if in the Commission's opinion such change or addition is not substantial, it may recommend approval to the Town Board without public hearing. If the Plan Commission deems that any proposed change is not acceptable, it shall recommend accordingly to the Town Board. Without limitation to the Plan Commission's right to determine any other change substantial, a change in any of the following respects shall be automatically construed as substantial:
 - (1) An increase in the number of dwelling units from that shown in the approved comprehensive project plan.
 - (2) A significant change in the size, value or type of structure from that indicated in the approved comprehensive project plan.
 - (3) The addition of any principal uses not included in the approved comprehensive project plan.
 - (4) A change in the basic concept of site development which would significantly alter the relationship of uses or open space to adjoining properties.

SECTION 4: SEVERABILITY

The several sections of this ordinance are declared to be severable. If any section or portion thereof shall be declared by a court of competent jurisdiction to be invalid, unlawful or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and shall not affect the validity of any other provisions, sections or portions thereof of the ordinance. The remainder of the ordinance shall remain in full force and effect. Any other ordinances whose terms are in conflict with the provisions of this ordinance are hereby repealed as to those terms that conflict.

SECTION 5: EFFECTIVE DATE
