

Hartland Lakeside School Board Seeks Public Input in District Administrator Search Process

Tiffany Hawley, Board of Education Vice President, announced that the school board is asking that any parents and community members interested in helping to provide input in the District Administrator search process attend a Focus Group in the presentation room at North Shore Middle School on Wednesday, March 15, 2023. Parents and Community members are invited to attend a session at 7:30 pm on this day.

The School Board has started the District Administrator search process to replace Nancy Nikolay who will leave her position in the Hartland Lakeside School District on June 30, 2023. The School Board has chosen the Wisconsin Association of School Boards (WASB) to assist in this search process.

Focus Groups help the School Board develop screening criteria and interview questions for candidates. The Focus Group input will aid the School Board in finding the candidate who will best match the needs of the Hartland Lakeside School District. All Focus Groups will be facilitated by WASB Search Services Consultant George Steffen.
