CULVERT APPLICATION

Owner's Name: _____ Phone #: _____

Mailing Address: _____

City: _____ State: _____ Zip Code: _____

Tax Key #: _____ Subdivision: _____ Lot #: _____

Property Address: _____

Builder's Name: _____ Phone #: _____

NOTE: Building Permits will NOT be issued until culvert is installed.

STEP 1) Contact the Hwy Superintendent (262-646-8881) for the size of culvert. Culvert length is at the discretion of builder and/or owner. Submit this application with payment to the Clerk's office and order culvert as determined.

STEP 2) Builder must stake the center of the culvert. After the culvert is on site, contact Hwy Superintendent for installation.

STEP 3) A driveway permit must be pulled before pouring driveway. Attached to the culvert application is the application for a driveway. This must be filled out and paid for before laying a driveway. Driveways must follow the rules as outlined in the permit. The Town will hold the ditch/driveway bond if not done according to the permit.
